SUBJECT: David Robinson - Report on Course of Treatment and Termination
of Treatment

Dear Judge Buckingham:

I am aware that you no longer are in this court as judge but write you in order to have it filed in the file of David Robinson who was charged in 1983 with offenses in your court and referred to us for treatment. He has cooperated since that time having both been involved here as an outpatient, in rehabilitation treatment for a year in Eastern Kentucky and now back as an outpatient at the Murray Mental Health Center since 12-85. He has kept his appointments faithfully and cooperated with treatment. I really feel comfortable with terminating him feeling that he has benefited from treatment and am optimistic that he will not have any recurrence of these charges which brought him to your attention in the past.

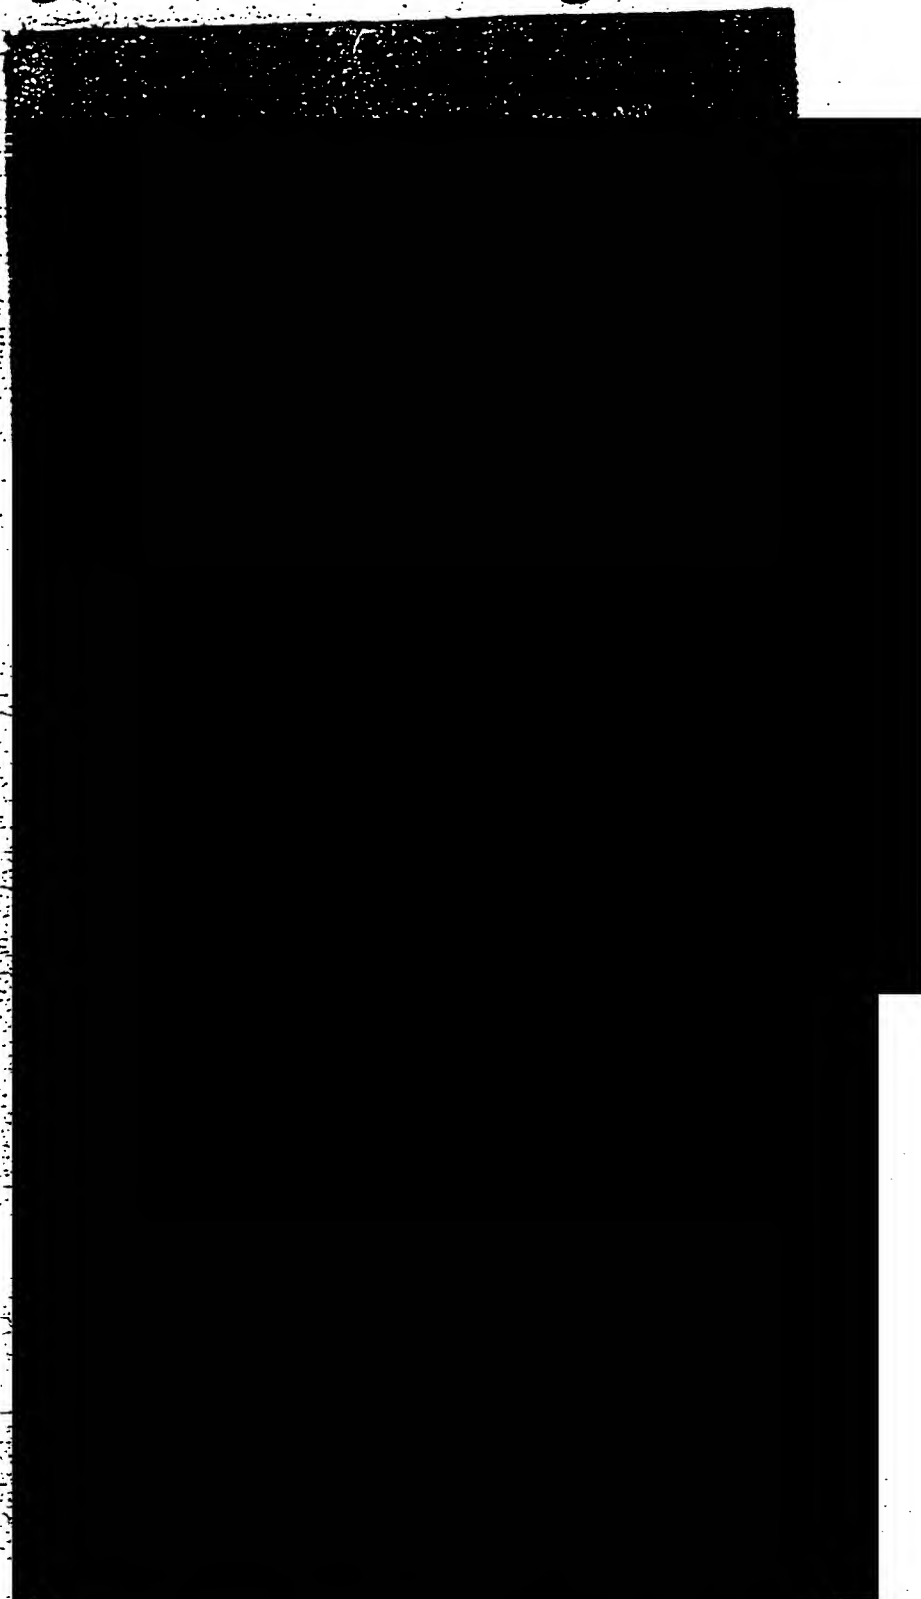

Sincerely,

J. Donald Brock, MSSW

COUNTY OF CALLOWAY)

COMES THE AFFIANT, [REDACTED] after having been first duly sworn, and states as follows:

My name is [REDACTED], and I live at [REDACTED] Murray, Calloway County, Kentucky, with my [REDACTED]

On Sunday, January 30, 1983, around noon, my sons, [REDACTED], came home from playing at Belmont Park, which is close to our house, and told my wife that a boy named David had pulled down their pants and played with their penises. I woke up about 45 minutes later and my wife told me about it and I questioned the boys and they told me the same story. I took [REDACTED] with me, and we walked down to a house at [REDACTED] and he pointed that house out and told me that it had happened in a treehouse behind that house. I sent [REDACTED] on back home and I went up and knocked on the door and talked with a man who lived there. I asked him if he had a son named David and I then told him what my boys had told me and he called David outside and asked him if he had done that to my boys and David admitted that he had. I then told David that I did not want him over around my house or around my boys any more and left.

I have since learned that "David" is in fact David Wayne Robinson who lives at [REDACTED] with his parents and that he was born in 1964.

Dear Bruce:

Thank you for the Confidential Record Sheet which gives us the information necessary to identify Mr. Robinson. This helps to strengthen our file.

We would like information concerning his conviction. There must be newspaper clippings or court records available which one of your Board Members could secure for you. This is important for our file if we are to have information which will substantiate refusal in case neither you or I are in our present positions.

Thanks for your help in protecting the youth of America.

Dear Bruce:

I hate to bother you again, but I must have more information concerning the above named individual if we are to refuse an attempt of registration.

Again, I am enclosing a Confidential Record Sheet which I would like completed so we can identify Mr. Robinson. Please put as much information on this sheet as possible. A copy of an application or something with a signature would be helpful to complete our file.

If there are newspaper clippings, court records, or other materials related to Mr. Robinson's child molestation conviction, please send them to us to strengthen the file.

Thanks for your help in completing this file.

SUBJECT: David Robinson

Dear Bruce:

Thank you for your letter of November 18 concerning the above-named individual. I believe he should be placed on the confidential file so that he cannot register in the future.

I am enclosing a Confidential Record Sheet which I would like to have completed to the best of your ability. This will give us the information which is necessary for identification purposes should he attempt registration at a later time. We would also like to have a copy of the application which he completed if you have this available. This should give his signature, which aids in the identification process.

We would like copies of the newspaper clippings or court records related to his child molestation conviction. These are most important if we are to have a complete file and make certain registration can be refused.

Thank you for your help in protecting the youth of America.
